

# Introducing

ICON

## Sign up for our Info-Session Webinar

---

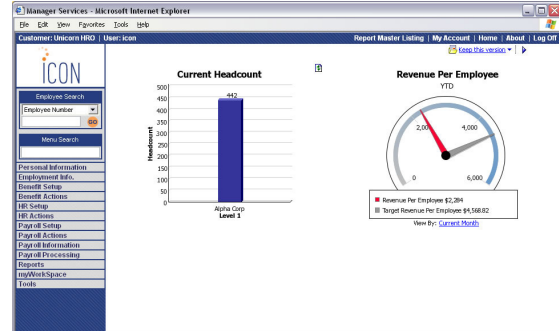

Please join us for an introductory webinar on our software-as-a-service (SaaS) offering: iCON. Take a quick peek and see how the functionality and capabilities of iCON can improve your business efficiencies.

---

Robust, configurable and completely integrated, iCON supports your entire employee life cycle from “help wanted” to exit interview and beyond.

The iCON application suite includes:

- Human Resources
- Benefits Administration & Enrollment with Employee Self-Service
- Payroll and Tax
- Dashboard / Human Capital Analytics and BI Tools
- Time and Attendance

A SaaS solution, iCON gives you all the power and integration of a state-of-the-art application suite without the need for software updates and additional concerns about disaster data recovery.
